

MOTION BY SUPERVISOR DON KNABE

November 15, 2016

On Thursday, September 24, 2015, at approximately 4:07 a.m., Long Beach police officers responded to a shots call at 702 East 56th Street. When officers arrived, they observed a male subject face up on the grass parkway in front of the location. The subject was unresponsive and bleeding from the chest. Officers secured the scene until the Long Beach Fire Department arrived on scene and pronounced the victim dead.

Investigators learned that the victim, Jeremy Cornell McFarland, has family in the Long Beach area, and used to live around the corner from where he was shot. During the investigation, six .32mm shell casings were recovered and one projectile.

Several witnesses stated that they heard the shots but nobody has come forward to provide a description of the suspect(s).

Investigators have canvassed the neighborhood looking for witnesses to the incident and feel they are at a point where it would be beneficial to offer a reward, which may prompt reluctant witnesses to come forward and provide information to identify the individuals responsible for this crime.

On February 23, 2016, this Board approved a \$10,000 reward offer which was extended on May 17, 2016. That reward is due to expire again on November 18, 2016.

I, THEREFORE, MOVE that the Board of Supervisors extend the offer of a \$10,000 reward for information leading to the arrest and conviction of the perpetrator(s) of this heinous crime.
